I agree that parents should limit the amount of time their children spend online. There are two reasons. First, if both children and adults use their smartphones too much, they will become addicted to smartphones and their eyesight will deteriorate. The second reason is that when we use a smartphone, we inevitably end up having fewer face-to-face conversations. When conversations at home decrease, communication between parents and children becomes difficult. For these reasons, I think it is better to limit the amount of time children spend on the Internet.

For these reasons, put importance on quality is better when we shop.

Task 2 Task 1 で考えた文章をまとめて、以下に書いてみよう。(5分)

In my opinion, we should put importance on quality than price.

✓ Firstly, High-quality things make us feel satisfied when we bought.

In contrast, cheap price things may be more fragile and also most things are fake alternative. Secondly, we could use for a long time when we buy high-quality products. Actually, It's reasonable to

buy things that is cheap, but if it broken, people have to pay much money.
